32CMLC replaces P110151-10

Dear Customer,

Unfortunately we have to inform you, that the manufacturer G.E. decided to discontinue the product **P110151-10**. Therefore is this product only available while stocks last.

The replacement part is **32CMLC** by Cooper Bussmann. It is nearly the same as P110151-10. Please compare here both items:

P110151-10	32CMLC
	
	

On request we will send you an example.

With Kind Regards
