

**PROTECTING
PRODUCTIVITY**

25 years *LWD*

- 25 years of protecting productivity in Germany and Europe: 1988 – 2013 and on-going.
- Since 2012 with extended products portfolio: all *G.E. Industrial Solutions* products and most of *Bussmann Electrical* products (excluded European Squarebody and North American fuses). More information on our website: www.weutscheck.com
- Offer for the new products: enquire with annual demands and target prices and we check, if we can offer your desired prices.
